# A BILL FOR AN ACT

RELATING TO TRANS FAT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Chapter 302A, Hawaii Revised Statutes, is  
2 amended by adding a new section to be appropriately designated  
3 and to read as follows:

4           "§302A-    Trans fat; restricting availability at public  
5 schools. (a) For the purposes of this section:

6           "Extended school day" means the school day, plus any  
7 additional time that a student spends on school grounds before  
8 or after the school day for the purpose of participating in a  
9 school-sanctioned activity or child care program.

10          "Industrially produced trans fat" means vegetable  
11 shortening, margarine, or any type of partially hydrogenated  
12 vegetable oil that contains more than zero grams of trans fat  
13 per serving as labeled.

14          "School food service establishment" means a place that  
15 regularly sells or serves a food or beverage item or school  
16 meals on a public school campus.

17          "School meals" has the same meaning as set forth in section  
18 302A-101.

- 1        (b) School food service establishments shall not:
- 2        (1) Make available to a student any food or beverage item
- 3        that contains any amount of industrially produced
- 4        trans fat; or
- 5        (2) Use food that contains any industrially produced trans
- 6        fat in the preparation of any food or beverage item
- 7        that is intended for consumption by a student.
- 8        (c) The prohibition described in subsection (b) applies to
- 9        all food and beverage items made available to a student on
- 10       school grounds during each school day and extended school day,
- 11       including but not limited to school meals and food or beverage
- 12       items made available to a student in a school cafeteria, school
- 13       store, vending machine, or other food service entity existing
- 14       upon school grounds.
- 15       (d) The prohibition described in subsection (b) does not
- 16       apply to the following:
- 17       (1) Any food or beverage item that is made available to a
- 18       student as part of a United States Department of
- 19       Agriculture meal program;
- 20       (2) Any food or beverage item that is made available to a
- 21       student as part of a fundraising effort conducted by
- 22       one or more students, teachers, or parents; or

# S.B. NO. 1310

**Report Title:**

Education; Industrially Produced Trans Fat; Appropriation

**Description:**

Prohibits school food service establishments from making available to students food or beverage items that contain industrially produced trans fat or preparing food or beverage items for student consumption containing industrially produced trans fat.
