
A BILL FOR AN ACT

RELATING TO MAUNA KEA STATE RECREATIONAL AREA.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. **Purpose.** The purpose of this Act is to require
2 the department of land and natural resources to enter into
3 negotiations with the county of Hawaii for the lease of Mauna
4 Kea state recreational area to the county.

5 The legislature finds that the county of Hawaii would be a
6 better steward of this public land than the department of land
7 and natural resources. Consequently, the legislature finds that
8 the responsibility for managing Mauna Kea state recreational
9 area should be transferred to the county of Hawaii.

10 Notwithstanding these findings, the legislature does not
11 authorize or support the transfer by sale or otherwise of the
12 fee simple title to Mauna Kea state recreational area. In
13 general, the legislature does not support alienating permanently
14 the State's public land assets. The legislature believes that
15 public land should be held, managed, and operated for the
16 public's best interest. Furthermore, the legislature does not
17 intend to diminish the ceded land corpus or cause the State to
18 abdicate its fiduciary responsibility to native Hawaiians.

1 The legislature notes that this Act requires a portion of
2 the gross revenues derived by the county of Hawaii from the
3 leased public land to be transmitted to the State to become
4 state realizations. The legislature intends that the revenues,
5 whether or not generated from activity on ceded land, be deemed
6 part of the pro rata portion of public land trust revenues
7 transmitted to the office of Hawaiian affairs.

8 **SECTION 2. Definitions.** For the purposes of this Act:

21 approval of the lease.

1 (b) If a lease is not approved before January 1, 2014, the
2 department shall submit a report to the legislature prior to the
3 convening of the regular session of 2014 on the action taken
4 pursuant to this Act, progress made to reach agreement on a
5 lease of the subject public land, problems encountered during
6 negotiations, and proposed solutions to the problems.

7 SECTION 6. **Non-impairment intent.** It is the intent of
8 this Act not to jeopardize the receipt of any federal aid or to
9 impair the obligation of the State or county of Hawaii, or any
