A BILL FOR AN ACT

RELATING TO PUBLIC UTILITIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that preferential rates
2 for the purchase of energy for agricultural activities will
3 support the long-term viability of agriculture in the State.

4 The purpose of this Act is to authorize and encourage the
5 establishment of preferential rates for the purchase of energy
6 for agricultural activities.

7 SECTION 2. Chapter 269, Hawaii Revised Statutes, is
8 amended by adding a new section to part I to be appropriately
9 designated and to read as follows:

10 "§269- Preferential energy rates for agricultural
11 activities. (a) It is the policy of the State to promote the
12 long-term viability of agriculture by establishing mechanisms
13 that provide for preferential rates for the purchase of energy
14 for agricultural activities. The commission shall establish, by
15 rule or decision and order, preferential rates for the purchase
16 of energy that is used or consumed for agricultural activities.

17 (b) Upon receipt of a bona fide request for the purchase
18 of energy to be used or consumed for agricultural activities and

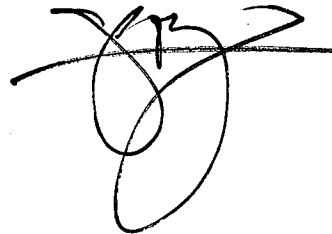

1 proof that the energy will be used or consumed for agricultural
2 activities, a public utility shall present the request for
3 preferential rates to the commission for approval. In reviewing
4 the proposed preferential rates, the commission, in consultation
5 with the department of agriculture, may establish additional
6 criteria for energy used for agricultural activities."

7 SECTION 3. New statutory material is underscored.

8 SECTION 4. This Act shall take effect upon its approval.
