
A BILL FOR AN ACT

RELATING TO HEALTH.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the State faces a
2 severe shortage of healthcare providers. This situation is
3 particularly acute in primary care, where most of the
4 prevention, early intervention, and cost savings in healthcare
5 occur.

6 The legislature further finds that the Hawaii health
7 systems corporation primary care training program is an
8 effective way to reduce the impact of the shortage of primary
9 care providers and improve access to healthcare throughout the
10 State. Administered by Hilo medical center in coordination with
11 Hawaii health systems corporation regions, this
12 interdisciplinary program includes the Hawaii island family
13 medicine residency program and training for advanced practice
14 nurses from the school of nursing and dental hygiene at the
15 University of Hawaii at Manoa and the school of nursing at the
16 University of Hawaii at Hilo; clinical pharmacists from the
17 University of Hawaii at Hilo's college of pharmacy; and post-

1 doctoral fellows from I Ola Lahui, an organization that trains
2 psychologists to meet the needs of those living in rural areas.

3 The purpose of this Act is to address the shortage of
4 primary care providers in the State by appropriating funds for
5 the Hawaii health systems corporation primary care training
6 program at the Hilo medical center which will be expanded to
7 include neighbor island health facilities. The success of this
8 program's training model will generate interdisciplinary teams
9 that are capable of caring for four times as many patients as
10 independent practicing physicians. Hawaii will benefit greatly
11 because this program helps to eliminate the need to train or
12 attract unrealistically high numbers of physicians.

13 SECTION 2. There is appropriated out of the general
14 revenues of the State of Hawaii the sum of \$ or so
15 much thereof as may be necessary for fiscal year 2013-2014 and
16 the same sum or so much thereof as may be necessary for fiscal
17 year 2014-2015 for the Hawaii health systems corporation primary
18 care training program at the Hilo medical center.

19 The sums appropriated shall be expended by the Hawaii
20 health systems corporation for the purposes of this Act.

21 SECTION 3. This Act shall take effect on July 1, 2050.
