
A BILL FOR AN ACT

RELATING TO ECONOMIC DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the State has a
2 public interest in diversifying its economy and promoting the
3 development of high-growth, entrepreneurial businesses. Job
4 creation is at the top of every state's policy agenda. Recent
5 reports from the National Governors Association have highlighted
6 the importance of fostering an entrepreneurial business
7 environment and supporting high-growth businesses as a proven
8 approach to creating high-wage jobs.

9 Successful economic development outcomes in other states
10 have demonstrated the effectiveness of a comprehensive state-
11 level program establishing an entrepreneurial ecosystem that
12 fosters entrepreneurialism, commercialization, and business
13 formation capabilities needed by high-growth businesses. This
14 comprehensive program must have input and support from the key
15 stakeholders in the entrepreneurial ecosystem: private
16 industries, investors, universities, and government. Finally,
17 this comprehensive program must have sufficient resources to

1 provide the pace and scale of investment needed to make it
2 effective.

3 The purpose of this Act is to enable the Hawaii strategic
4 development corporation to implement the HI growth initiative,
5 an investment program that will be used to establish an
6 innovation ecosystem that supports entrepreneurial high-growth
7 businesses and creates high-wage jobs through research
8 commercialization, entrepreneur mentoring, and the mobilization
9 of startup investment capital.

10 SECTION 2. There is appropriated out of the general
11 revenues of the State of Hawaii the sum of \$ or so much
12 thereof as may be necessary for fiscal year 2013-2014 and the
13 same sum or so much thereof as may be necessary for fiscal year
14 2014-2015 to be deposited into the Hawaii strategic development
15 corporation revolving fund.

16 SECTION 3. There is appropriated out of the Hawaii
17 strategic development corporation revolving fund the sum of \$
18 or so much thereof as may be necessary for fiscal year 2013-2014
19 and the same amount or so much thereof as may be necessary for
20 fiscal year 2014-2015 to implement the HI growth initiative;
21 provided that \$ or so much thereof as may be necessary

1 in each fiscal year shall be expended for program development,
2 program management, and oversight of program awardees.

3 The sums appropriated shall be expended by the Hawaii
4 strategic development corporation for the purposes of this Act.

5 SECTION 4. The Hawaii strategic development corporation
6 shall submit an annual report on the activities and expenditures
7 of the HI growth initiative to the legislature no later than
8 twenty days prior to the convening of each regular session,
9 beginning with the regular session of 2014.

10 SECTION 5. This Act shall take effect on July 1, 2050.
