
SENATE RESOLUTION

URGING THE DEPARTMENT OF HAWAIIAN HOME LANDS TO CONSIDER
BUILDING AFFORDABLE RENTAL HOUSING THAT COULD BE USED FOR
TRANSITIONAL, PERMANENT, OR RENT-TO-OWN HOUSING FOR NATIVE
HAWAIIANS, INCLUDING HOMELESS NATIVE HAWAIIANS.

1 WHEREAS, over the past several years, the issue of
2 affordable housing came to the forefront of people's minds due
3 to rising home prices driven by a period of unprecedented
4 economic growth in the State; and
5

6 WHEREAS, whenever the supply of available housing is less
7 than the demand, low and moderate income housing is often
8 difficult to secure; and
9

10 WHEREAS, in these housing markets, land values often
11 outpace the capacity of incomes to keep up, making it difficult
12 or costly to increase housing supply at rents or prices
13 affordable to consumers at income ranges below the local
14 average; and
15

16 WHEREAS, the inability to easily find an affordable place
17 to live can cause distress among families and individuals; and
18

19 WHEREAS, urban planners have noticed other negative effects
20 on a community's overall health where there is a lack of
21 affordable housing, including scarcer low-cost labor and
22 increased demands on transportation systems; and
23

24 WHEREAS, other studies and articles focused on United
25 States cities have also been able to link the parallel trends of
26 housing cost increases and declines in enrollment at local
27 schools; and
28

29 WHEREAS, Hawaii faces a severe affordable housing
30 shortfall, with many individuals residing in long-term shelters
31 because no permanent affordable housing is available; and
32

33 WHEREAS, according to the 2012 Homeless Service Utilization
34 Report, around twenty-seven percent of those using shelter or

1 outreach programs are native Hawaiian or part native Hawaiian;
2 and
3

4 WHEREAS, homelessness becomes a revolving door for
5 individuals and families because of a myriad of socioeconomic
6 problems they are mired in, including unemployment and low
7 incomes, substance abuse, and chronic health problems; and
8

9 WHEREAS, if the cycle of homelessness is going to be
10 broken, we need to develop innovative housing solutions that
11 provide native Hawaiian individuals and families with stable
12 housing; now, therefore,
13

14 BE IT RESOLVED by the Senate of the Twenty-seventh
15 Legislature of the State of Hawaii, Regular Session of 2013,
16 that this body urges the Department of Hawaiian Home Lands to
17 consider building affordable rental housing that could be used
18 for transitional, permanent, or rent-to-own housing for native
19 Hawaiians, including homeless native Hawaiians; and
20

21 BE IT FURTHER RESOLVED that living in affordable rental
22 housing on the Department of Hawaiian Home Lands' lands would
23 not remove individuals from the waiting list for Hawaiian Home
24 Lands housing; and
25

26 BE IT FURTHER RESOLVED that a certified copy of this
27 Resolution be transmitted to the Chairperson of the Hawaiian
28 Homes Commission.
