

JAN 24 2013

SENATE RESOLUTION

REQUESTING THE UNITED STATES CONGRESS TO FUND ABORTIONS FOR
SERVICEWOMEN IN CASES OF RAPE OR INCEST AND LIFT THE BAN ON
PRIVATE FUNDING OF ABORTIONS AT MILITARY BASES.

1 WHEREAS, female military personnel have the same right to
2 basic health care services as their male counterparts, and
3 reproductive health care is a fundamental component of health
4 care for women; and

5
6 WHEREAS, the ban on privately funded abortions in military
7 facilities discriminates against women in the United States
8 military who have volunteered to serve their country and who
9 have been assigned to posts overseas; and

10
11 WHEREAS, the ban on privately funded abortions in military
12 facilities poses grave health risks and places an insurmountable
13 obstacle to access quality healthcare leaving servicewomen and
14 military dependents far worse off than civilian women; and

15
16 WHEREAS, in light of the tragically high incidence of rape
17 and sexual assault suffered by women in the military,
18 servicewomen should not be further harmed by the denial of safe
19 abortion services; and

20
21 WHEREAS, the ban on abortions at military facilities
22 requires a woman to go to a private hospital or clinic, which
23 leaves the woman no choice but to use a local facility that may
24 be substandard or unsafe; and

25
26 WHEREAS, obtaining an abortion in a local hospital is
27 virtually impossible for many of the estimated 100,000 American
28 servicewomen in foreign countries, particularly in Afghanistan;
29 and

30
31 WHEREAS, the costs, time, and obvious risks involved in
32 obtaining an abortion outside of military facilities prevent
33 some servicewomen and military dependents from obtaining the
34 health care they otherwise could have received; and

1
2 WHEREAS, under current law, title 10 United States Code
3 section 1093(a) provides that funds available to the Department
4 of Defense may be used to perform abortions only where the life
5 of the mother would be endangered if the fetus were carried to
6 term; and
7

8 WHEREAS, under title 10 United States Code section 1093(b),
9 Department of Defense medical facilities may be used to perform
10 abortions where the life of the mother would be endangered if
11 the fetus were carried to term or in a case in which the
12 pregnancy is the result of an act of rape or incest; and
13

14 WHEREAS, restricting the use of United States Department of
15 Defense funds for abortions to only those instances where the
16 mother's life would be endangered risks the lives of many
17 servicewomen by forcing victims of rape or incest to personally
18 fund and contract for abortion procedures with foreign
19 physicians in many countries that lack medical personnel trained
20 to the standards of United States physicians; and
21

22 WHEREAS, providing military women serving overseas the same
23 access to basic health care, including safe abortions at
24 military facilities, is an issue of basic fairness; now,
25 therefore,
26

27 BE IT RESOLVED by the Senate of the Twenty-seventh
28 Legislature of the State of Hawaii, Regular Session of 2013,
29 that the United States Congress is requested to:
30

- 31 (1) Recognize that over 365,000 women serve in the United
32 States Armed Forces and that more than 100,000 are
33 currently stationed and serving overseas;
34
- 35 (2) Express concern that at a time when the United States
36 is engaged in military actions on multiple fronts, and
37 servicewomen put their lives at risk to preserve
38 American rights and freedom, it is deeply troubling
39 that American servicewomen are denied access to safe,
40 legal abortion when they serve abroad; and
41
- 42 (3) Act to lift the ban on private funding of abortions at
43 military bases; and
44

S.R. NO. 6

1 (4) Amend section 1093(a) of title 10 United States Code
 2 to allow funds available to the Department of Defense
 3 to be used to perform abortions in cases in which a
 4 pregnancy is the result of an act of rape or incest;
 5 and

6
 7 BE IT FURTHER RESOLVED that certified copies of this
 8 Resolution be transmitted to the Majority Leader of the United
 9 States Senate, the Speaker of the United States House of
 10 Representatives, and to the members of Hawaii's congressional
 11 delegation.
