RE: H.B. No. 911

H.D. 1

Honorable Joseph M. Souki
Speaker, House of Representatives
Twenty-Seventh State Legislature
Regular Session of 2013
State of Hawaii

Sir:

Your Committees on Energy & Environmental Protection and Health, to which was referred H.B. No. 911 entitled:

"A BILL FOR AN ACT RELATING TO THE ESTABLISHMENT OF AN ENVIRONMENTAL INFORMATION TECHNOLOGY OFFICE,"

beg leave to report as follows:

The purpose of this measure is to establish an Environmental Information Technology Office within the Department of Health.

The Office of Information Management and Technology, Office of Hawaiian Affairs, Department of Health, and a few individuals supported this measure.

Your Committees have amended this measure by:

- (1) Specifying that the Environmental Information Technology Office shall have no overlapping information technology functions and responsibilities with the Office of Information Management and Technology;
- (2) Requiring that the Environmental Information Technology Office follow the lifecycle governance framework established by the Chief Information Officer in the State of Hawaii Business and Information/Technology Resource Management Transformation Plan published in October 2012; and

- (3) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the records of votes of the members of your Committees on Energy & Environmental Protection and Health that are attached to this report, your Committees are in accord with the intent and purpose of H.B. No. 911, as amended herein, and recommend that it pass Second Reading in the form attached hereto as H.B. No. 911, H.D. 1, and be referred to the Committee on Consumer Protection & Commerce.

Respectfully submitted on behalf of the members of the Committees on Energy & Environmental Protection and Health,

DELLA AU BELATTI, Chair

CHRIS LEE, Chair

State of Hawaii
House of Representatives
The Twenty-seventh Legislature
