RE: H.B. No. 944

Honorable Joseph M. Souki Speaker, House of Representatives Twenty-Seventh State Legislature Regular Session of 2013 State of Hawaii

Sir:

Your Committee on Judiciary, to which was referred H.B. No. 944 entitled:

"A BILL FOR AN ACT RELATING TO THE UNIFORM CONTROLLED SUBSTANCES ACT,"

begs leave to report as follows:

The purpose of this measure is to protect the public by updating Hawaii's controlled substances schedules and allowing the Department of Public Safety to identify and track the abuse of certain new non-controlled substances. Specifically, this measure:

- (1) Updates Hawaii's Uniform Controlled Substances Act to make it consistent with amendments made to federal law on controlled substances;
- (2) Adds new controlled substances to the list of stimulants classified as Schedule I controlled substances and anabolic steroids classified as Schedule III controlled substances; and
- (3) Changes the penalty provision related to pseudoephedrine by stipulating that only persons who knowingly purchase, receive, or otherwise acquire products containing more than 3.6 grams per day or more than nine grams per thirty-day period of pseudoephedrine without a valid prescription shall be guilty of a Class C felony.

The Department of Public Safety and Honolulu Police Department supported this measure.

As affirmed by the record of votes of the members of your Committee on Judiciary that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 944 and recommends that it pass Third Reading.

Respectfully submitted on behalf of the members of the Committee on Judiciary,

KARL RHOADS, Chair

State of Hawaii House of Representatives The Twenty-seventh Legislature
