The purpose of this informational briefing is to provide the committees with an update on the Department of Education's proposed Common Core curriculum strategy. The Department of Education is working to identify high quality, partially digital, curricular materials and implement a 1:1 digital device strategy as a vehicle for improving curriculum, instruction, assessment, and learning.

If you require special assistance or auxiliary aids and/or services to participate in the House public hearing process (i.e., sign or foreign language interpreter or wheelchair accessibility), please contact the Committee Clerk at 586-6326 or email your request for an interpreter to [HouseInterpreter@Capitol.hawaii.gov](mailto:HouseInterpreter@Capitol.hawaii.gov) at least 24 hours prior to the hearing for arrangements.
