RELATING TO INSURANCE.
Addresses the unfunded liabilities for public employee health benefits without putting down \$500,000,000 per year for the next thirty years. Calls for the formation and implementation of a captive insurance facility to effectively manage the administration and financing of the current and potential future employee benefit obligations of the state and county governments. Establishes the Hawaii employer-union health benefits captive insurance fund and reserve account that holds ten per cent of the unfunded liabilities, which has the effect of fully funding the liabilities.
