Background: The National Park Service put the State of Hawaii's Historic Preservation Division (SHPD) on a High Alert Status in March 2010 and issued a Corrective Action Plan (CAP) to be completed within two years beginning in October 2010 and ending September 30, 2012.

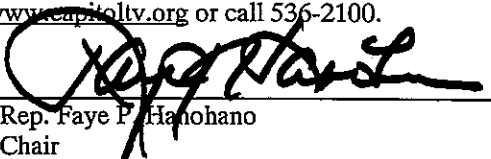

The CAP focuses on six areas: Administration, Survey and Inventory, Review and Compliance, the National Register Program the CLG Program and the State Historic Preservation Plan (State Plan).

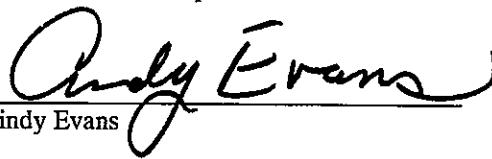

The purpose of this information briefing is for the Department of Land and Natural Resources to update the Committees on the work of the State in meeting the requirements of the CAP, the Hawai'i State Historic Preservation Plan, and the staffing and funds challenges facing the division to function and meet the requirement of the CAP.

If you require special assistance or auxiliary aids and/or services to participate in the House public hearing process (i.e., sign or foreign language interpreter or wheelchair accessibility), please contact the Committee Clerk at 586-8510 or email your request for an interpreter to HouseInterpreter@Capitol.hawaii.gov at least 24 hours prior to the hearing for arrangements. Prompt requests submitted help to ensure the availability of qualified individuals and appropriate accommodations.

For further information, please call the Committee Clerk at 586-8510.

Selected meetings are broadcast live. Check the current legislative broadcast schedule on the "Capitol TV" website at www.capitoltv.org or call 536-2100.
