Aloha Chair Dela Cruz, Vice Chair Slom and Members of the Committee:

The Pacific Resource Partnership (PRP) is a labor-management consortium representing over 240 signatory contractors and the Hawaii Regional Council of Carpenters.

PRP **supports** the gubernatorial nomination of Leslie Mullens to the Small Business Regulatory Review Board.

Ms. Mullens is particularly well-suited to serve on this Board. Leslie won the U.S. Small Business Administration's 2010 State Financial Services Champion award, was a finalist for Hawaii's 2011 Businesswoman of the Year, and was one of 40 young business leaders honored with Pacific Business News's "Forty Under 40" award in 2009 for outstanding business and community contributions. Her company, The PlayBook Group, was honored by Maui's Mayor as one of the Mayor's Small Businesses of the Year in 2010.

Many of the state's small businesses, non-profit organizations and government agencies rely on Ms. Mullens to assist with strategic planning, leadership development, change management, organizational development, and program management. Her knowledge, expert facilitation skills and intuitive sense of the right way to proceed make her a highly sought consultant. The Board will be enriched as a result of her participation.

We respectfully ask for your *favorable* consideration of Ms. Leslie Mullens' nomination to serve as a member of the Small Business Regulatory Review Board.

Thank you for the opportunity to share our views with you.

To Whom It May Concern,

This letter is in support of Leslie Mullens, owner of Playbook Consulting Group, for her position as Maui's representative for the Small Business Regulatory Review Board. Maui Film Studios hired Playbook Consulting Group for our initial strategic plan. Her work was invaluable in launching Maui Film Studios, now the largest film studio in the State of Hawaii. Leslie's insight and knowledge of the inner workings of business in Hawaii allowed us to navigate the waters of our startup. Her advice on the current legislation regarding the film industry helped us strategize our efforts to become more effective.

Additionally, I had the opportunity to work with Leslie in a nonprofit setting when she was leading a strategic planning retreat I attended. Leslie has uncanny skills to work with large groups from various backgrounds and have the group come to an agreeable solution/plan. But she doesn't stop there. She also follows up with the organization to make sure that the plan is being implemented and that the stakeholders are held accountable. She knows how to orchestrate a group much like a conductor handles his/her orchestra.

It is my pleasure to give a resounding recommendation for Leslie Mullens to fill Maui's representative for the Small Business Regulatory Review Board.

Sincerely,

Kathleen Buenger
Vice President

To whom it may concern,

I am submitting the following formal testimony in support of Leslie Mullens, president of Playbook Consulting Group, and her appointment to the Small Business Regulatory Review Board.

As a small business owner who regularly consults with other small businesses, Leslie Mullens demonstrates several, if not all, of the attributes of an ideal candidate for the SBRRB. Her work takes her into a variety of business sectors, giving her a broad perspective of how small business works in Hawaii. As a business consultant, she regularly works with a range of different types of people in large and small group settings. She frequently meets the challenge of balancing a business' needs with the needs of the people operating the business and the community that supports the business.

On a personal level, Leslie is an intelligent, positive and thoughtful person, who would be a valuable asset to any organization. Speaking candidly, Leslie's appointment to the SBRRB is a "no brainer."

Mahalo piha for your time and consideration. Should you have any questions about my testimony, I can be reached at angelabritten@hawaiitheatre.com or by phone at 791-1302.

Mahalo,

From: Sam Millington

Aloha Chair Dela Cruz and Vice Chair Slom:

My name is Sam Millington and I live in Wailuku town, on Maui. I am writing in strong support of Leslie Mullen's nomination as the Maui representative to the Small Business Regulatory Review Board.

I have lived on Maui since the mid 1990s and have taken a strong interest in community affairs, including economic development issues. That's precisely why I am supporting Leslie's candidacy to this Board.

Through her experience as a successful business woman as well as her ability to bring together diverse individuals and groups so they can work more collaboratively and effectively, Leslie has demonstrated that she can make a positive difference in whatever she puts her mind to.

Given her extensive and relevant experience in the small business sector, I believe that Maui and, indeed, all of Hawai'i nei will benefit from having someone like Leslie serve on the Small Business Regulatory Review Board.

Mahalo for your hard work on this important issue and for your consideration of my testimony.

Sincerely,

Samuel W. Millington

Comments: Thank you for the opportunity to submit testimony supporting Ms. Leslie Mullen's nomination to the Small Business Regulatory Review Board. Leslie has worked with our firm, Munekiyo & Hiraga, Inc., in addressing our company's strategic planning needs. Having worked closely with Leslie, I believe she has the experience and understanding of the challenges facing small businesses each day. Comments: I, O.K. "Buzz" Fernandez, am in support of Leslie Mullens to serve on the SBRRB as a member representing the Island of Maui. Ms. Mullens has the experience and knowledge as well as being widely known in the small business arena within the State of Hawaii. She, by way of her company, the Playbook Consulting Group has assisted various and many businesses, by working through problem areas of need. I myself have worked with Ms. Mullens as a member of the Board of Directors on two community service non profit organizations. She did an excellent job as the facilitator, working with the various members and completing the job that was presented to her. While working with her in this capacity, she has shown that she does have the ability to think critically and objectively while considering all views of an issue. Upon consideration and review, I believe she did apply her business skills, knowledge and expertise to justly apply an objective decision in these cases. From this working relationship, I believe that Ms. Mullens will positively, meaningfully and clearly assist as a member of the SBRRB. Ms. Mullens would be an excellent addition to the SBRRB and I ask that she be given the opportunity to serve in that capacity. Sincerely, O.K. "Buzz" Fernandez

Comments: I support the nomination of Leslie Mullens to serve on the Small Business Regulatory Review board. I have had the pleasure of participating in the business of the Hawaii Inter-Agency Council on Homelessness which she helps to facilitate. I believe her skills for convening and facilitation of group process has been very helpful in moving us along to concrete plans and implementation of those plans. She facilitated public meetings across the state to gather input toward our State Plan to end Homelessness and did a fine job collating a great deal of input received. She is respectful, patient, direct when she needs to be. She also has a desire to help the Small Business community to flourish and to help the State establish structures to support that vision. Comments: I strongly support Leslie Mullens for the Small Business Regulatory Review Board. Ms. Mullens is an outer island business owner who is an expert in facilitating conversations among people with disparate points of view. I know Ms. Mullens from the Rotary Club of Kahului, where she served as President. During her term, Ms. Mullens channeled her abundant energy and talent into creating a brand new fundraiser for our club which, in its first year, raised over \$22,000 in scholarships for Maui students. This fundraiser now is the pinnacle annual event for our club. I also have had the pleasure of witnessing Ms. Mullens work as a strategic planner when she facilitated a large meeting for a nonprofit agency. Ms. Mullens demonstrated a unique ability to maintain the group's focus on positive systemic change and a remarkable way of allowing participants to feel heard without allowing any one voice to dominate the discussion. I participate in a monthly women's business mastermind group with Ms. Mullens. I greatly value her ideas and insights and her clear and objective critical thinking. I feel privileged to be able to discuss the future of my business with her.

RE: Testimony for Leslie Mullens

I want to express my support for the appointment of Leslie Mullens to the Small Business Regulatory Review Board for the State of Hawaii. I have known her for nine years and applaud her work in the community and for small businesses in the State. She recently supported an organization where I am on the Board of Directors and her presentation and her dedication was unsurpassed. Leslie has led many organizations into a growing or steady phase of their business cycle by presenting them with the right questions to ask themselves or their board of directors so they can move forward with confidence.

In her work Leslie exudes confidence and a great spirit in her delivery. She has a very positive attitude and can be counted on to deliver excellent results. Please, seriously consider Leslie as a great teammate on your Review Board.
