Testimony in Support

My name is Leslie B. Chun, MD, MBA and I serve as the Chief of Clinical and Medical Affairs at Maui Memorial Medical Center (MMMC). Thank you for your consideration to serve on the Hawaii Health Authority (HHA).

I believe I have the background, skill set, and experience that could assist the HHA achieve its mission. I am an internist who grew up in Hawaii, received my medical and business training in Los Angeles and Boston and worked for Senator Edward M. Kennedy in his Senate Health Committee Office. I have also traveled throughout the United States as a health care consultant focusing on care coordination and the building care delivery systems and for the past year and a half have served as a physician leader at MMMC. These experiences have given me the opportunity to learn about the many different approaches to care delivery throughout the U.S.

I believe Hawaii has the opportunity to create a unique model of health care. I would like to do my part to help ensure our community has world class health care and believe I can contribute through serving on the HHA. Thank you again for your consideration.
