The Honorable Rosalyn Baker, Chair
Senate Commerce and Consumer Protection Committee
Senatorial District 6
Hawaii State Capitol, Room 230

Dear Senator Baker:

Subject: Kathleen T. Kang-Kaulupali, Pharm.D. – GM613

I support the nomination of Ms. Kathleen T. Kang-Kaulupali, Pharm.D. to the Board of Chiropractic Examiners. She is a well-respected member of our community and would be an asset to this Board.

I have known Ms. Kang-Kaulupali in two capacities over the years. I first met her when we were members of the School/Community Based-Management (SCBM) for Ka'elepulu Elementary School in Kailua. Ms. Kang-Kaulupali was an active member who brought to the meetings important issues and helped foster community building.

Because of Ms. Kang-Kaulupali's expertise in the health field, I invited her to be a member of the Leeward Community College Business Technology Program's Business and Industry Advisory Board. As the Business Technology Program Coordinator, I knew Ms. Kang-Kaulupali would be an asset to our Board as we explored new programs; and she has been an active member for five years. She brings a wealth of information to our meetings and keeps us updated in health-related trends. Ms. Kang-Kaulupali was instrumental in supporting the creation of Leeward CC's new Health Information Technology (HIT) Program. Her guidance and support of the Business Technology Program is appreciated by the faculty; and we are grateful to Ms. Kang-Kaulupali's commitment toward helping our Program and community.

It is with pleasure that I support Ms. Kathleen T. Kang-Kaulupali's nomination to the Board of Chiropractic Examiners. If you have any questions, please feel free to contact me via the e-mail address provided in the online testimony form.

Sincerely,

Mrs. Kay Ono
