HB1093
RELATING TO DISCLOSURES

House Committee on Ocean, Marine Resources, & Hawaiian Affairs
House Committee on Water & Land

February 1, 2013

8:00 a.m.

Room 325

The Office of Hawaiian Affairs (OHA) Committee on Beneficiary Advocacy and Empowerment (BAE) offers the following comments on HB1093, which proposes to require the Department of Hawaiian Home Lands, the Department of Land and Natural Resources, and the Office of Hawaiian Affairs to submit an annual report to the Legislature detailing a broad range of their contracts for services:

We simply point out the following uncertainties in the bill:

- Does the bill require a combined report for all three agencies or separate reports?
- What is meant by contracts for services?
- What is meant by the requirement that the reports identify whether a third party facilitated the contract?
- How would the cumulative report for past years work?

Mahalo for the opportunity to testify on this measure.

Comments: Testimony of WILLIAM J. AILA, JR. Chairperson Before the House Committees on WATER & LAND and OCEAN, MARINE RESOURCES, AND HAWAIIAN AFFAIRS Friday, February 1, 2013 8:00 AM State Capitol, Room 325 In consideration of HOUSE BILL 1093 RELATING TO DISCLOSURES House Bill 1093 proposes to require the Department of Land and Natural Resources (Department), the Department of Hawaiian Home Lands, and the Office of Hawaiian Affairs to submit annual reports detailing all contracts for services entered into that affect Native Hawaiian rights. The Department offers the following comments. The Department is concerned about the requirements of the proposed legislation and its responsibility to protect the release of personal information. The Department also believes that Native Hawaiian rights is so broad that the practical effect as it relates to the Department would place an undue burden on our operations and resources. Thank you for the opportunity to testify.
