**H.B. 1112, H.D. 1
RELATING TO HIGHWAYS**

House Committee on Finance

The Department of Transportation (DOT) **opposes** HB 1112. Although the DOT agrees with the objectives of HB 1112 to improve traffic flow from Waipahu, Kunia, and Kapolei, we cannot implement these initiatives due to engineering and cost concerns, but more importantly as these initiatives are potential land use conditions for developers to address as part of their traffic mitigation alternatives.

Thank you for the opportunity to provide testimony.
