Subject: Support- House Bill 1189

Aloha Tom,

Thanks for introducing the bill (HB 1189).

If passed (and actually enforced) it would go a very long way in reducing nuisance noise, especially in Waikiki on Sundays, and making this place more restful and pleasant.

With a severe hearing loss and with double-glazed windows and heavy drapes, it amazes me that the motorcycles on Ala Moana Boulevard not only prevent my from sleeping, but prevent me from hearing the TV for hours.

Though I won't be able to support the bill in person, you have my full support in getting this bill into law.

Your efforts are most sincerely appreciated.

SUBJECT: HB 1189 Clarifies Exhaust System Modifications - **SUPPORT**

Aloha Chair and Committee Members,

Thank you for allowing me to provide testimony on HB 1189, which clarifies the law with respect to amplification or other modification of exhaust systems on motorcycles and mopeds.

Often while riding my bike on Kalaniana'ole Hwy. on the weekends, packs of motorcycles pass by and rev their engines. They are extremely loud. I therefore support this bill.

Please vote "yes" and pass this bill.
