TO: Committees on Human Services and Health

DATE: March 15, 2013, Friday

TIME: 2:05 pm

PLACE: Conference Room 229

TESTIFIER: Wannette Gaylord

BILL: HB 1208 HD 2

POSITION: IN STRONG OPPOSITION

Aloha Chairs Suzanne Chun Oakland and Josh Green,
And Vice Chair Rosalyn Baker and members of the committees,

My name is Wannette Gaylord and I strongly **OPPOSE** HB 1208 HD 2 for the following reasons:

The Department of Health and the Department of Human Services along with the Community Based Care Facilities are all in agreement that this bill should be opposed.

Community Based Care Facilities are small businesses saving the state upwards of \$200 million dollars a year. In these bad economic times, our businesses are already struggling to survive paying for our daily expenditures. This additional expense will just be another excessive cost for doing business here in Hawaii.

So please do not make living and owning a business here in Hawaii any harder than it already is. Please "DO NOT IMPOSE" this additional fee on your community that take care of our treasured kama'aina.

Mahalo nui loa for allowing me to testify in **opposition** to HB 1208 HD 2.

Wannette Gaylord
