Chad Taniguchi		Comments Only	No

Comments: The Hawaii Bicycling League wishes to submit comments on this bill. We are aware that motorcycle and moped collisions and injuries are very high in Hawaii. Motorcycles are treated as motor vehicles and require licenses. If the data show that mopeds are like motorcycles because of their speed on the roads, then the bill seems to have merit. Driving a moped that meets the law's requirements with a driver trained in the laws that affect mopeds, would seem to make the streets safer for moped users and other road users. Sincerely yours, Chad Taniguchi Executive Director
