Testimony for FIN on Feb 22, 2013 11:00AM in Conference Room 308

Submitted By	Organization	Testifier Position	Present at Hearing
Ihilani Gutierrez	Individual	Support	No

Comments: I support this bill because I know Marine Protected Areas and Aquaculture research is very vital and important. More education and study is needed to help the future of Hawaii fisheries and outside aswell and Aquaculture is a growing and positive industry that can and will help everyone, especially Hawaii to be less dependent on outside influences. Please pass this bill
