RELATING TO MAKUA VALLEY

February 22, 2013, 11AM
Conference Room 308

Aloha Chair Luke, Vice Chairs Nishimoto and Johanson, and members of the committee:

My name is Fred Dodge and I am a member of Malama Makua and a retired Family Physician. I live in Waianae. My wife, Karen Young, NP, and I support House Bill 509, H.D. 1 but would like to see it re-configured as a commission rather than as an advisory committee.

We respectfully ask you to pass HB 509, HD 1. Thank you for the opportunity to offer this testimony.

Fred Dodge
