

TESTIMONY BY KALBERT K. YOUNG
DIRECTOR, DEPARTMENT OF BUDGET AND FINANCE
STATE OF HAWAII
TO THE HOUSE COMMITTEE ON FINANCE
ON
HOUSE BILL NO. 51

February 13, 2013

RELATING TO STATE BONDS.

House Bill No. 51 authorizes the issuance of general obligation bonds to finance project appropriations contained in Acts of the Legislature for which the means of funding are designated as general obligation bond funds or reimbursable general obligation bond funds. The bill also provides a declaration of findings with respect to such authorizations as mandated by the State Constitution.

The Department of Budget and Finance supports this measure.

Article VII, Section 13 of the Constitution of the State of Hawaii requires that as of July 1, 1980, the Legislature shall include a declaration of findings in every general law authorizing the issuance of general obligation bonds. The declaration of findings must state that the total amount of principal and interest estimated for such bonds, and for all bonds authorized and unissued and calculated for all bonds issued and outstanding, will not cause the State debt limit to be exceeded at the time of issuance.

As in previous years, our staff is available to assist the Legislature in refining and completing this Bill.

Thank you for the opportunity to testify on this measure.
