Comments: don't subsidize companies that don't provide necessary services for the public just to have them re-locate to hawai`i in this economic climate. more business doesn't necessarily mean good business. please vote against corporate/business subsidies unless they're absolutely necessary to provide public services. mahalo.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
