Committee on Transportation
House of Representatives
Hawaii State Capitol
415 S. Beretania Street
Honolulu, Hawaii 96813

Dear Chair Yamane and Committee Members:

Subject: House Bill 591; Relating to Safe Routes to School

The Department of Transportation Services (DTS) provides the following testimony in support of House Bill 591. DTS supports HB 591 to the extent it proposes that moneys on balance in the special fund shall not lapse to the credit of the State's general fund. The City and County of Honolulu would welcome funds to be expended in public school zones on Oahu for the purposes under section 291C-3, HRS.

We appreciate this opportunity to provide testimony on HB 591.

Very truly yours,

Michael D. Formby
