Comments: The exuberant rates tow service proprietors inflict for impound fees would impeded the vehicle owner from generating the taxes on fees and registration. Sworn officers should be responsible for issuing citations, which would increase the level of penalty for succeeding violations.

Comments: Aloha Legislators, This Bill only hurts those already hurting from exalating food, gas, insurance, housing, medical and school bills. The winner is the tow company. Is anyone of you on their payroll? I'm suprise some of you signed off on the measure to begin with. Respectfully submitted, Benjamin Shafer
