Comments: The bill seeks to punish all businesses on the theory that there are some who abuse this right. As a result it creates added burdens to my business. I'm already struggling with many of the expenses and costs to comply with many government imposed mandates and regulations. Our company does our best to take care of the employees. They are an asset to the company and we make sure to have a healthy and safe work environment. We provide generous benefits and any increase in costs during this time will force me to restructure our benefits system.
