Comments: "This bill weakens our air quality laws. Please kill it".... I have 4 children that all have severe asthma due to the sugar cane smoke. They loose days of school and sports due to it. They are on Qvar daily and albuteral just so they can try to function. This is not healthy!! Not only does it hurt there lungs, but they also get headaches and sinus issues just to name a few. Please STOP the burning!!!!

It is time for change to a healthier way of life. Cane burning (hidden as agricultural burning) needs to be ended. There are other ways! Kill this bill now!!!!!! Rayna Strike

Comments: This bill weakens the air quality laws. It's serves only one big company, but it affects the air quality for 150.000 people, weakening the standards set internationally, EPA standards and it shows how lobbying for one big Corporation is detrimental for 99% of the population.
