Re: H.B. 75, Relating to Antique Motor Vehicles

The Department provides the following information and comments for your consideration. H.B. 75 amends the State Vehicle Weight Tax and State registration fee for antique motor vehicles. This bill would change the weight tax on antique vehicles from 1.75 cents per pound to 1.00 cent per pound. The annual registration fee would change from \$45 to \$25 per antique vehicle. The reduction in registration fee revenue would be absorbed entirely by the general fund and would not affect the emergency medical services special fund.

The Department suggests the bill may be improved by placing the different rates for antique motor vehicles into separate subsections.

Thank you for the opportunity to provide comments.
