H.B. 762

RELATING TO WASHINGTON PLACE

Chair Takai and members of the Committee, thank you for the opportunity to testify on H.B. 762.

The Department of Accounting and General Services (DAGS) strongly supports H.B. 762, an administration-sponsored measure.

Effective July 1, 2012, Act 106, Session Laws of Hawaii 2012 (the Supplemental Appropriations Act of 2012), transferred the funding for the management and operations of Washington Place to DAGS under our Central Services Division. H.B. 762 codifies the transfer of Washington Place.

Additionally, H.B. 762 establishes a trust fund for the repair, maintenance, and upkeep of Washington Place. Currently, any rent or revenue received from the use of Washington Place is

deposited into the general fund. The proposed trust fund will allow all revenue from rental, donations, concessions, etc., to be deposited into this trust fund and expenditures will be used to aid DAGS in fulfilling its responsibilities to maintain and upkeep the historic site.

Thank you for the opportunity to testify on this matter.
