

TESTIMONY OF HERMINA MORITA  
CHAIR, PUBLIC UTILITIES COMMISSION  
DEPARTMENT OF BUDGET AND FINANCE  
STATE OF HAWAII  
TO THE  
HOUSE COMMITTEE ON CONSUMER PROTECTION & COMMERCE

JANUARY 30, 2013  
2:00 p.m.

**MEASURE:** H.B. No. 809

**TITLE:** Relating to the Public Utilities Commission

Chair McKelvey and Members of the Committee:

**DESCRIPTION:**

This measure proposes to combine the Public Utilities Commission (“Commission”) Special Fund Report required under Section 269-33(c), Hawaii Revised Statutes (“HRS”), within the Commission’s Annual Report under HRS § 269-5.

**POSITION:**

The Commission is in strong support of this bill and would like to offer the following comments.

**COMMENTS:**

H.B. No. 809 proposes to include the Commission’s Special Fund Report within its Annual Report to the Legislature rather than filing a separate report. This measure will make the Commission’s reporting process more efficient for future legislative sessions, where all pertinent information regarding the Commission’s finances and functions for a given fiscal year – including review of and reporting on the progress of the State’s principal clean energy standards – may be found within one comprehensive document.

Thank you for the opportunity to testify on this measure.
