Comments: the security industry has already made too much from "homeland security". spend money on strengthening our homeland, ie. schools, local business, protect natural resources, local economy etc rather than spend more on "security". mahalo for opposing this bill.

Comments: I strongly oppose this. Have you ever heard of the ICCJ in Hawai'i this year? Do you know that Hawai'ian Kingdom was an independent nation that was not conquered by force or treaty? How dare you proposed this to a peaceful independent nation. www.hawaiiankingdom.org
