The Legislature of the State of Hawaii

HB 86

Measure Title: RELATING TO PUBLIC HOUSING.

Report Title: Public Housing; Smoking; Ban

Description: Prohibits smoking anywhere in a public housing project.

COMMITTEE ON HOUSING

Rep. Rida T.R. Cabanilla, Chair

Rep. Justin H. Woodson, Vice Chair

Rep. Della Au Belatti

Rep. Bertrand Kobayashi

Rep. Mele Carroll

Rep. Dee Morikawa

Rep. Jo Jordan

Rep. Lauren Kealohilani Cheape

The people that influenced the legislatures to support this bill should have a habit that they been trying to brake for the last 10 years. Humans are creatures of habit both mentally and physically. I disagree with this bill, If I cant quit smoking I will be homeless. (Take a guess how meany residents of public housing smoke? And how many new homeless people will be created by this bill because we have a mental illness called smoking habit.) This is unfair, and probably unconstitutional.

AMENDMENT VIII of the Constitution of the United States

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted. I hope this testimony makes it clear just how much damage you will inflict on people of this state by passing this bill and the cost involved by enforcing, cost to the Judiciary.

Respectfully
