Testimony for FIN on Feb 25, 2013 11:00AM in Conference Room 308

Submitted By	Organization	Testifier Position	Present at Hearing
MARK FERGUSSON	HOFA (Hawaii Organic Farming Association)	Support	No

Comments: HOFA supports this bill, many organic farmers are small and this bill will create incentives for more people to farm organically, which is good for the state's food security goals, and will assist current organic farmers who struggle to make a decent living.
