HB989

Submitted on: 2/1/2013

Testimony for WAL/OMH on Feb 1, 2013 08:00AM in Conference Room 325

Comments: To whom it may concern, I strongly support HB989. The measures proposed will increase the penalty for illegally harvested marine aquarium species. The vast majority of aquarium fishermen already comply with the law, and this bill helps to deter anyone who would break it. Therefore, I urge the legislature to pass HB 989 as written. Sincerely, Christopher P. Jury Hawai'i Institute of Marine Biology University of Hawai'i at Manoa P.O. Box 1346 Kane'ohe, HI 96744
