Dear Senator Tokuda and Members of the Committee:

SUBJECT: HCR 57 - REQUESTING THE BOARD OF EDUCATION AND DEPARTMENT OF EDUCATION TO CONTINUE TO COLLABORATE WITH FAMILY AND COMMUNITY ORGANIZATIONS TO ESTABLISH, IMPLEMENT, AND MONITOR HAWAII'S PUBLIC SCHOOLS. STATEWIDE POLICIES FOR FAMILY-SCHOOL PARTNERSHIPS IN HAWAII'S PUBLIC SCHOOLS

The State Council on Developmental Disabilities **SUPPORTS HCR 57**. The purpose of the concurrent resolution is to provide for the actions necessary to fulfill the legislative intent of SCR 145, Regular Session of 2011, and SCR 79, Regular Session of 2012, in order for the Board of Education and Department of Education to report their findings regarding the facilitation of family-school partnerships to the Legislature no later than 20 days prior to the Regular Session of 2014.

The Council supports the Board of Education and the Department of Education working with parent organizations to establish policies and practices that encourage greater family engagement and can see the benefits that both families and schools would have with increasing student achievement through partnerships. Family engagement has worked with a variety of parent groups, and we see it as a critical component of student support that will increase both the schools' and families' abilities to support their children's education.

Thank you for the opportunity to provide testimony **in support of HCR 57**.

Sincerely,

Waynette K.Y. Cabral, MSW

Aloha Chair Tokuda, Vice Chair Kidani and Committee Members,

This testimony is in support of HCR57 relating to Family-School Partnerships.

The Hui for Excellence in Education (HE'E) is a diverse coalition of over 40 parent and community organizations dedicated to improving student achievement by increasing family and community engagement and partnerships in our schools. Our member list is attached.

For the last two sessions, the legislature passed SCR145 and SCR79, respectively, which requested that the DOE, with input from community organizations, to establish, implement, and monitor statewide policies for family engagement in Hawaii's public schools. HE'E along with other organizations worked with the DOE staff to refine policy for family-school partnerships and make recommendations on the implementation of the revised policy. Those recommendations were highlighted in a report to the legislature in 2013.

We support this resolution as it keeps the process moving along through implementation. We want to continue to work with the DOE staff as they move forward. We would be glad to work with the legislature, department and the BOE to make this effort successful.

Thank you for the opportunity to testify and for your consideration.

Our support of this bill represents a 75% consensus or more of our membership.

Sincerely,

Cheri Nakamura
HE'E Coalition Director

Re: **SUPPORT – HCR57** REQUESTING THE BOARD OF EDUCATION AND DEPARTMENT OF EDUCATION

TO CONTINUE TO COLLABORATE WITH FAMILY AND COMMUNITY ORGANIZATIONS TO ESTABLISH, IMPLEMENT, AND MONITOR STATEWIDE POLICIES FOR FAMILY-SCHOOL PARTNERSHIPS IN HAWAII'S PUBLIC SCHOOLS.

On behalf of Family Voices of Hawai'i, I offer testimony in **support of HCR57**, which seeks to continue the work between the Department of Education (DOE) and family and community organizations to finalized guidelines for family-school partnerships. As an organization, Family Voices is national grass roots organization of family of friends of child with special health care needs. In Hawai'i, we operate the federally funded Hilopa'a Family to Family Health Information Center and are the Medicaid Ombudsman. A hallmark of the last year has been the collaborative effort between the DOE and family/communication organizations in developing draft policy statement the "Family-School Partnership Policy". This work is not complete and it would benefit our larger school community if the partners involved were able to complete the tasks to finalize the policy and see the effort completed through its adoption by the Board of Education and the development of corollary operational guidelines.

Thank you for your time and consideration in passing HCR57.
