COMMITTEE ON VETERANS, MILITARY & INTERNATIONAL  
AFFAIRS AND CULTURE AND THE ARTS

HR12/HCR30 HONORING KING KAMEHAMEHA THE GREAT AND HIS  
DESCENDANTS BY SHARING HIS STORY WITH A GLOBAL AUDIENCE,  
PROMOTING CEREMONIES AND ACTIVITIES THAT CELEBRATE HIS VISION  
AND HAWAII'S CULTURE AND HERITAGE AND URGING ALL OF  
THE PEOPLE OF HAWAII TO DO THE SAME

Wednesday, 3/12/14; 8:30 am; Room 312

Aloha chairman Takai, vice chair Ito and members of the Committee.  
I am Soulee Stroud president of the Association of Hawaiian Civic Clubs  
pleased to support this resolution honoring the Ali`i that succeeded in  
bringing the major islands of the Hawaiian archipelago under a single  
sovereign – namely, himself.

While this resolution tends to remember and honor Kamehameha as a  
beneficial visionary, we should remember too that he was a fierce and brutal  
warrior who destroyed those that opposed him or stood in the way of his  
ambition. He conquered every island except Kauai whose leaders  
capitulated rather than face destruction. The late esteemed Senator Daniel  
Inouye liked to tell the story of the cadets at West Point studying  
Kamehameha's brilliant battlefield tactics.

We appreciate that the resolution is well intended but a little obscure as to  
the means and purpose of promoting the exploits of Kamehameha's life and  
legacy. We sincerely hope that whatever public relations and promotions  
carried out with regard to this great Ali`i will be respectful and in good taste.

Thank you for the opportunity to testify.

The Makaha Hawaiian Civic Club stands in complete support of the above measures to perpetuate all that is of King Kamehameha and the descendants. The impact of his face and image truly resonates and connects all to the great state of Hawaii.

Our beauty and culture is our true jewel of us as Hawaiian people. We want a true awareness of who he is, what he stood for and the act of uniting all our islands.

Comments: I am in support, but it should be amended to read recognizing him n his descendants n not Honoring them, besides they would be the highest Alii's alive. Much Mahalo

Comments: I feel that the Kamehameha's are entitled to get their lands back or some sort of restitution, as was given to the Native Americans, Japanese that were detained during the war. The US had no right to take over Crown Lands, especially knowing that there are surviving Heirs of King Kamehameha I.

Comments: Since many Descendents are living today, we should make an Amendment and RECOGNIZE them instead of Honoring them. Let's make the PONO choice and give them our full support.
