Subject: Support for HR195

---

As the Chair, Advisory Board to the Office of Veterans' Services, which represents over 170,000 Hawaii veterans, we fully support House Resolution 195.

It is important to urge the members of the United States Congress and the Department of Veterans Affairs to allow a third party with the appropriate documentation to request a headstone for an unmarked veteran's grave.

Please pass the resolution in the honor of all service members, especially those who gave their life in the defense of their country. It is important to recognize these veterans.

Thank you for letting me express the Board's view on this resolution.
