## SENATE COMMITTEE ON WAYS AND MEANS

February 22, 2013, 9:00 A.M.  
(Testimony is 1 page long)

### TESTIMONY IN SUPPORT OF SB 1162

Aloha Chair Ige and Members of the Committee:

The Sierra Club of Hawai'i **supports** SB 1162, which requires ongoing maintenance by adjoining properties in order to ensure continued access to our public beaches.

Overgrown plants, sometimes intentionally allowed to overgrow the shoreline and beach access, deter the reasonable use of our public beaches and trails. In order to maintain the safety of our residents and our guests, we need to ensure access and use of our beaches is maintained.

By ensuring the public continues to have access and use of our beaches, SB 1162 helps protect Hawaii's proud public access tradition. Please move this measure forward.

Thank you for the opportunity to testify.
