in consideration of

SB1273, SD 2
RELATING TO ECONOMIC DEVELOPMENT.

Chair Takai, Vice Chair Ito, and Members of the Committees.

The Department of Business, Economic Development, and Tourism (DBEDT) supports SB1273, SD2, which establishes the system-wide University of Hawaii Academy for Creative Media (ACM) program, which would award certificates and degrees emphasizing narrative storytelling through indigenous filmmaking. DBEDT supports its passage provided it does not adversely impact the priorities of the Executive Budget.

SB1273, SD2 seeks to codify the successful UH ACM Manoa program which has been teaching the art of digital media and filmmaking for the past decade. Prior to its establishment, students sought film or digital media education outside the State, often furthering their careers on the U.S. mainland and abroad, rather than here at home. Today, UH ACM students work has been exhibited at major film festivals and they have launched numerous entrepreneurial companies.

Thank you for the opportunity to testify on this measure.

SB 1273 SD2 – RELATING TO ECONOMIC DEVELOPMENT

Chair Takai, Vice Chair Ito, and Members of the Committee:

SB 1273 SD2 establishes the system-wide, statewide academy for creative media to award certificates and degrees emphasizing narrative storytelling through a unique program in indigenous filmmaking.

The University supports the intent of SB 1273 SD2. Extending the educational opportunities statewide can be a powerful incentive for workforce development especially with a focus on West O'ahu. We respectfully request an opportunity, in the future, to revise the duties and responsibilities of the creative director to eliminate potential conflicts with the existing ACM programs at the various campuses in the UH System.

Thank you for the opportunity to testify on this matter.
