Testimony for FIN on Mar 27, 2013 16:00PM in Conference Room 308

Submitted By	Organization	Testifier Position	Present at Hearing
Bill Marsh	Individual	Oppose	No

Comments: I don't know what inflation brings us to by 2017 but to require a \$9.00 minimum wage is not reasonable for trainees. That can make a business very leery to bring on young, new or untrained personnel. It is costly to hire new people and train them to be productive for a business then a lot of times find out they can't do the job.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
