Comments: I would very much like to retract my earlier support for this bill because after further review of submitted testimony I realize that I had not realized the implications of what this bill proposes. Therefore, my position is that I oppose the bill. Thank you for the opportunity to change and correct my earlier testimony.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
