Re: SB 83

LATE

To: The Honorable Senator Ige and the members of the Committee

Aloha,

The Community Alliance for Mental Health along with United Self Help wholeheartedly supports SB83.

The need for more housing to assist the vulnerable population of Hawai'i is clear and known to our entire population. If there is a way in which this can be achieved quicker and more efficiently by non-profit agencies than the government then we are entirely for it.

Mahalo,
Robert Scott Wall
Vice-President
