SCR 191/SR 146

Requesting the Board of Education, in Consultation with the State Librarian, To Explore the Feasibility of Activating a Statewide Library Advisory Commission

The Hawaii State Public Library System (HSPLS) supports SCR 191/SR 146 and we will work with the Board of Education to explore the feasibility of activating a statewide library advisory commission.

HSPLS is constantly looking for additional partnerships and collaborations with our supporters and community members across the state, and this commission will provide an additional channel for communication and cooperation.

Thank you for allowing us the opportunity to testify on this measure.
