Re: Strong Support for SCR86

I am in strong support of urging all health care providers in Hawaii that perform organ transplantation to consider placing HIV-positive patients who need an organ transplant on an organ transplant waitlist.

HIV-positive patients are human beings. They deserve equality and equal opportunity for healthcare. All measures should be taken to increase the life of patients no matter the diagnosis.

To Whom It May Concern:

I am writing this letter to testify in support of SCR 86. I believe that HIV patients should have the same rights as everyone else to be placed on an organ transplant waitlist. By denying them access to be put on the organ transplant waitlist, I believe that this action is discriminatory towards the population.

Sincerely,

[s]
