TWENTY-SEVENTH LEGISLATURE
REGULAR SESSION OF 2013

TESTIMONY ON SENATE CONCURRENT RESOLUTION NO. 125 AND SENATE RESOLUTION NO. 88, URGING THE DEPARTMENT OF COMMERCE AND CONSUMER AFFAIRS AND THE AMERICAN ASSOCIATION FOR MARRAGE AND FAMILY THERAPY: HAWAII DIVISION, TO DEVELOP DRAFT LEGISLATION ESTABLISHING, IMPLEMENTING, AND MONITORING CONTINUING EDUCATION REQUIREMENTS FOR ALL LICENSED MARRIAGE AND FAMILY THERAPISTS IN HAWAII.

TO THE HONORABLE SUZANNE CHUN OAKLAND, CHAIR,
TO THE HONORABLE ROSALYN H. BAKER, CHAIR,
AND MEMBERS OF THE COMMITTEES:

My name is Lynn Bhanot, and I am the Executive Officer of the Marriage and Family Therapists Program ("Program"). Thank you for the opportunity to present testimony on S.C.R. No. 125 and S.R. No. 88.

The Program appreciates the efforts of the Legislature to allow the two (2) agencies to work collaboratively to develop draft legislation establishing,

implementing, and monitoring continuing education requirements for all licensed marriage and family therapists in Hawaii. The Program would like to **urge the** **Committees to include** a provision that the American Association for Marriage and Family Therapy, Hawaii Division ("AAMFT Hawaii"), complete the Division's Continuing Professional Education Guidelines Checklist ("Checklist"). The completion of the checklist will assist with (1) determining whether there is a demonstrated need to impose such a requirement; (2) identification of the objective(s) that mandatory continuing education is meant to address; (3) a review of existing mechanisms or methods and a finding that mandatory continuing education is the best method to achieve the objective(s) identified in (2) above; (4) verification that continuing education courses meeting the objective(s) are readily available and accessible to the person; (5) evidence that the fiscal impact on the professional will not be adverse; and (6) confirmation that resources are available for the regulatory agency to implement the continuing education program.

Thank you for the opportunity to testify on S.C.R. No. 125 and S.R. No. 88.

RE: SCR 125/SR 88 Relating to Continuing Education for Marriage and Family Therapists - **SUPPORT**

Senator Suzanne Chun Oakland, Chair, Senator Josh Green, Vice Chair, and members of the Senate Committee on Human Services, and Senator Rosalyn H. Baker, Chair, Senator Brickwood Galuteria, Vice Chair, and members of the Senate Committee on Commerce and Consumer Protection, I am Joy Quick. I am a Hawaii licensed Marriage and Family Therapist and I strongly support SCR 125/ SR 88 Relating to Continuing Education for Marriage and Family Therapists.

I strongly support this resolution for the following reasons:

- Continuing education increases the knowledge base and competency levels of marriage and family therapy professionals.
- Continuing education requirements ensure that licensed marriage and family therapists have access to best practices and innovations in the field of marriage and family therapy and can continue to provide quality services to an array of clients.
- Continuing education opportunities will continue to be available statewide via in-person webinars, and teleconferences by approved providers.

- All states, except Michigan, New York, and Hawaii, have continuing education requirements for licensed marriage and family therapists and currently NY has a bill pending to require CE. CE is a national standard. We marriage and family therapists want to be recognized as meeting that standard.
- Marriage and Family Therapists provide critical services in prevention, intervention, and treatment to a broad spectrum of clientele.
- Consumer Protection: Requiring continuing education courses for marriage and family therapists who are renewing their licenses will give assurance to Hawaii's consumers that marriage and family therapists are current with the latest developments in their field.

I urge your favorable consideration of SCR 125/SR 88. Thank you for this opportunity to testify.

I fully support the passage of continuing education credits for Marriage and Family Therapists. It is necessary to provide the best treatment to all of our clients. It is the standard of practice for our industry and we need to be held accountable. The clear winners are the patients who use Marriage and Family Therapists. I can't see any reason for this common sense law not to go forward.
