

LATE TESTIMONY

From: Cynthia Marlin, Puna resident

Committee on Judiciary and Labor
April 10 at 10:00 a.m.

RE: SR 42

Aloha Senator Clayton Hee, Chair,
Senator Maile S.L. Shimabukuro, Vice Chair,
and members of the committee,

Though I much preferred SR 12 calling for Roger Christie's immediate release and an investigation into probably government misconduct, I strongly support SR 42 to call attention to this travesty of justice and secure Christie's freedom while awaiting trial.

I have known Roger personally for over 10 years, and hosted him in my home when he was testifying for the medical marijuana bill now in effect. He is a kind, sweet, considerate, thoughtful man who advocates for what he believes in in order to help people in need. I visited his ministry in Hilo and was so impressed by what he was doing that I made a donation to his church.

ROGER CHRISTIE IS NOT A DANGEROUS PERSON AND WOULD NEVER HARM ANYONE. Quite the opposite is true. He is a minister of a unique faith and is an honorable servant to others.

I would like to see all charges dropped due to the unconstitutionality of his imprisonment without trial. I am thankful the state senate taking a stand against our bullying federal government in support of one of our citizens.

I feel the resolution should be sent to the President of the United States and include a recommendation that his charges be dropped completely.

Mahalo for your consideration,
Cynthia Verschuur Marlin
Hawaii Island Chair, Libertarian Party of Hawaii

Comments: It is an appalling miscarriage of justice and Rogers constitutional rights have been stepped on enough!
