Shaula Tualaualelei	Pediatric Hydrocephalus Foundation	Support	No

Comments: As we have identified the specific day to be recognized as Hydrocephalus Awareness Day in September as September 21, 2013; we request to make all the necessary changes in the resolution to reflect "September 21, 2013" vs. "ONE DAY IN SEPTEMBER". We appreciate your support and consideration for those suffering with this lifelong condition. This day will give them the hope that they matter here in Hawaii and that together we will try to find a cure. This will give us a solid backing in what we do in spreading awareness in the State of Hawaii. Mahalo A Nui Loa
