Aloha Friends and Neighbors,

First of all, I would like to thank everyone for giving me the opportunity to represent District 41 in the Hawaii State House of Representatives. Congratulations to all board members and a big Mahalo for serving our community in this capacity.

District Events

Waipahu Beautification Day On June 25th I participated in the **Waipahu Beautification Day** cleanup project sponsored by **Waipahu Weed & Seed**. We spent the day removing trash and debris from our streets and painting graffiti in our neighborhoods. The project covered the entire Waipahu area including Village Park and Waikele.

Bill Signing

On July 5th I attended the **Bill Signing of SB 1025** which adds the assault of firefighters and water safety officers to the offense of assault in the second degree. It is state law act 187.

Sustainable Energy Project

On July 14th I attended the **Fuji Film Hawaii Joint Solar Energy System Dedication Event**. Also in attendance were Senator Gabbard and Reps. Aquino and Coffman. Fujifilm Hawaii partnered with 21st Century Technologies to install North America's first Conergy PowerPlus Solar Plant.

On July 15th I attended the **Hickam Communities launch of a 4 Megawatt Photovoltaic System** that will help provide power to more than 2,000 families. Also in attendance were Senators Mike Gabbard, Pohai Ryan and Glenn Wakai.

Invited by Officer A. Paiva, I participated in a monthly neighborhood security watch; we patrolled Kiokio Place and Kipou Street. We discussed concerns on crime and public safety. August 2nd will be national night out.

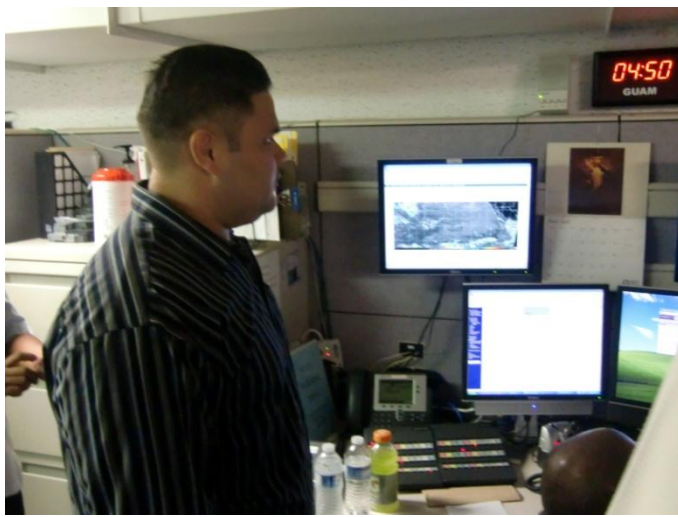

Representative Aquino and I had the honor of visiting the Honolulu Fire Department Headquarters, Museum and Training Facility. It was a very humbling experience seeing the history of our City's fire department which dates back to 1850.

I was privileged to attend a family night dinner at the Waipahu Aloha Club clubhouse. Where club members could display what they do at the clubhouse. (left)

(below)

On June 29th I attended a site visit to the Hawaii State Civil Defense facility located in Diamond Head Crater, with Rep. Aquino and other state legislators.

Announcements

Most public schools will return to classes on August 1st please be kind and watch for our keiki on the sidewalks and crossing streets.

UH Manoa students will return on August 22nd this will mean more cars and more traffic on our roads.
