

# **PUBLIC INFORMATION MEETING**

## **For**

### **Kikiaola Small Boat Harbor Projects**

On behalf of Senator Kouchi, Representative Morikawa and the Department of Land and Natural Resources Division of Boating and Ocean Recreation, we would like to invite you to attend a public information meeting.

It has been nearly three (3) years since the Kikiaola Federal Project was completed in 2009 and over two (2) years since the State Inner Harbor Maintenance Dredging and Wooden Loading Dock Projects were completed in 2010. Since then we have received numerous concerns from harbor users and inquiries about the Sand By-Pass Program.

We would like to get public input on harbor issues and to provide information about the Sand By-Pass Program.

The public information meeting will be held:

**Date: Wednesday, August 15, 2012**  
**Time: 5:30 P.M.**  
**Place: Waimea Neighborhood Center**  
**4556 Makeke Road**  
**Waimea, Kauai, 96796**

Your attendance at this meeting will be greatly appreciated.
